Mrs. Abbot respond of patriots in this land, North and South, the country, to unite with us in elevating ed promptly however, and almost at the who can still come together and embrace these men, so worthy of the principles same moment that she made her appear each other hand to hand, and exchange the noble affections of the heart, and Mrs. Abbat requested the young lady to make, as you have made here to day, rewithdraw, as abe desired to see the Gen- newed rows of fidelity to the Union and the Constitution of your country-new affirming that he had no secrets from your for preserving all those glorious in-Miss Phipps. Mrs. Abbott replied that stitutions which we have received from all conversation between them must be in our ancestors [appleuse ] Gentlemen, I congratulate you, I contermination of your labors. It has grat-To you have all participated in the pleasure, to see gentlemen from different States of Abbott objected, and attempted to take the Union coming together to interchange South is prepared, and I trust there will out a writ of Aubers corpus by throwing scatiments, to look each other lairly in the

evening. Miss Plopps, from Tennessee, happy and glorious termination.

Gen Bynum, who she affirmed, was from the crisis upon the country, and the con-

soon be convinced upon both sides that

the Savannahs of Georgia and the extreme of the Gulf of Mexico, which will be found ready in avery crisis and emergency, NATIONAL CONSTITUTIONAL where the sound of danger is heard, to some forward and unite in a glorious effort to preserve our Constitution and Union.

More than that gentlemen, you have not only abown that there is power to preserve the Constitution and the Union I the States as a positive political relation between independent political communicies, but you have shown that the perce of the Union, the good will, the fraternal feeling which give to the Union its essential and vital value, shall be oberished and preserved and that we will naves consent to loose any part of these glorious privileges and advantages which the Union was intended to perpetuate.

[Great applaque ] In the broad gelaxy of names presented for the consideration of this Convention in the choice of its candidates for the high offices to be filled by the people, it was not strange that there should be some diversity of sentiment. It would be in-

deed strange were it not so ... Who might not honestly doubt and heritate when we are compelled to chose between such names as John Bell, John J Ceittenden, William A. Graham, Sum of Va , Hunt of N. Y . Sharkey of Mins . Houston, and others presented to this Bowie of Md , Pendleton of Ohio , Ran- Convention; (Applener;) names worthy of the cause, worthy of the principles, an bonor to the country to which they beof Mise. Wheeler of Vt., Hill of Ga., long; names under any of which we Thompson of lad. Their remarks will would be proud to fally and go forth conquering and to enquer. But after canvassing the merits, the claims, and the on the motion to make the nomination advantages of the various candidates whose names were thus presented, upon the United States unanimous, and it was a free interchange of sentiment, in a curried amid a deafening roat of applause spirit of patriotic compromise and conoussion, you finally arrive at a constitution, in which the whole country will rejute. sylvania, the following persons were con-You have nominated John Bell of Texstituted a National Central Executive

nesseo, and Edward Everett; (Applause Is would be out of place for me, upon this occasion, and at this late hour, to detain you by any sulugious upon the character and services of those distinguished men; but, in justice to my own feelings, I cannot forbear to state that John Beil is one of the men who had not only a deep place in my affections, but in whose in tegrity and patriction, and capacity to administer the affairs of this government, my jungment, my reason, find assurance that he is the man of all men to discharge those duties in the spirit and in the manner which is required in the present pos-

their kindness and hospitality displayed with the public service. He is a man of eminent intellectual It was resolved that the negt National ability, of perfect candot, of moderation, Convention of the National Constitutional and a sense of justice which never Union party he held at such a place as awerves from doing right; a hold, fearless, should be designated by the National courageous man, but one who knows when to be bold. Suca is the man required in

Dir. Donelson, of Tennessee, moved the present emergency.

hat the Convention adjourn size die.

Who can forget, North or South, that in the stauggle which has been referred The President addressed the Convento by several speakers on this occasion, when that measure was pending before the Congress of the U.S., which has tion as follows: Gentlemen of the Convention, before we separate, you must permit me to express to you my suscere acopened's tountain of bitterness and calauknowledgements for the mid, the courtesy, its-the repeal of the Measure Compre and the connecation which I have receive mise, which was made, to a certain expent, ed from every side to sustain me in the a sectional question, on that occasion J. in discharge of the arduous duties of presi-Bell stood forth as a national man, feurless, Independent, and, with a state manspirit of harmony, the intuitive sense of like wisdom, portrayed the evils and the order and decorum which have prevailed

danger of that measure.

He recorded his vote against it, and I trast and I believe hat the people of the North will not forget that we have presented them a noble statesman, a Southern man with national principles-a man able and willing and ready to do justice to the whole country, even under the pressure of sectional and partigan influences that surrounded him [appliance], and the perple of the South I trust, will not forget that in him they had a guide and leader, whose counsels were safe, and whose admonitions, if heeded, would have averted from the country those calamities and exils which have made it necessary for the friends of the Union, to come forward and make the proclamation once more if their devotion the Union, and the nation al form of government and in which we

live [applause.] The name of Edward Everett is so familiar to the people of this country, it is associated so essentially with the name and the virtues, and the patrotism, that it is enough to say that it embodies in one word all that can be said in favor of coltivating high national patriction, fraternal seutiments, and a spirit of Union and concord now and forever (Ap-

Under the flag which is now unfurled, bearing these honored names, let us go forth and discharge our duty. We will appeal to the people, to the bonest and the conservative, the moderate men of which they represented; men so illustrious to their character, that they would have done honor to the early ages of our republic, and would have illustrated the nublest pages of anotest history, had such pern their fortune. (Applause.)

There will be no condice, but a gener one and natriotic emulation, to see wh can do meet and which part of the coungratulate the country, upon the anapictous are can do the most to strengthen the bonds of union and to preserve and upthed me beyond expression, and I am sure hold the giorious constitution of our coun try; (applause). That is the only strife for which any generous heart North or soon be an end of all other contentions between us. Let us go forth and strucface, to assure each other that we are, and still intend to be, one unit, affectionate gle to see who can do most in this crisis for the cause of our common country (cheers and applaure).

Mr. Moore, of Missouri, offered the following resolution, which was adopted Resolved, That with John Bell, of Teusensee, as President, and Edward Ererett. Mass, as Vice President, the Law: will be enforced, and the Constitution and Union will be preserved.

The President stated the question to be upon the motion to adjourn sine diewhich being taken, was agreed to.
